

SCHOOL SUPPLY

BACK TO SCHOOL CHECKLIST

Use this handy Back to School Checklist to assess your school supply needs and get a jumpstart on your year

Overview and Planning for Change

If your school is experiencing some small or large strategic changes, now is a good time to order more items.

- Is enrollment larger than anticipated?
- Is your school focusing on curriculum review?
- What new technology initiatives are planned?

Classroom

Take inventory of materials on hand.

- How do your classroom displays look?
- Do you have enough consumables?
- Maker space materials
- Construction paper and arts & crafts supplies
- Do you need replacement text books?

Library

Review your current budget and plan to find opportunity for expansion and growth.

- How can you build out your classroom libraries?

Uniforms

Assess your stock and sizing needs for the year.

- School uniforms
- PE uniforms
- Sports uniforms

Music

Take inventory of your musical instruments.

- Do you need to increase or replace any instruments?

Here's what to do next

- Make a list of additional items or increased quantities you will likely need in the future
- Assess your current stock to determine which items might need to be updated or replaced for your next season/year.
- Place or increase your ISS School Supply Order by contacting schoolsupply@iss.edu
